INTRODUCTION

Welcome to the Delta Virtual Airlines Caribbean Tour. This tour will take you to some airports not usually visited during normal scheduling. Some of these places will include: Grand Bahama, Haiti, Dominican Republic, Saint Maarten, Fort-de-France-Martinique, Curacao, Kingston Jamaica, the Grand Cayman Islands, and Havana, Cuba.

Fun facts about this tour:

*Estimated direct airport to airport distance: 4,100 nautical miles.
Estimated time to complete tour: 16 hours. (Time based on jetliners.)*

GENERAL INFORMATION

ACARS is required in order to receive credit for completion of each segment.

You may fly any segment(s) of the tour online, offline, IFR or VFR. You may also fly with real live weather turned ON or OFF.

As long as you are rated on the aircraft, you may use any aircraft type in this tour. You may switch aircraft types as you wish during any segment.

Air refueling is not allowed; please ensure you calculate correctly how much fuel is required for each segment. If real live weather is ON, please ensure you plan your fuel accordingly in the event you need to hold or go around. If you need to deviate due to weather or an emergency, you will need to complete this leg of the tour again to receive proper credit.

The departure / arrival times are just for example purpose only, you may follow the schedule times or depart at your own leisure. You can take as long as you need to complete this tour, however, the tour must be completed by the end date. **"If completion is not possible by the end date, no credit will be given; no exception to this rule is possible."**

In the following pages, you will find a series of blocks showing all the information regarding the airports that needs to be visited in order to complete this tour. The flights have a number to the left of each box indicating which flight must be completed and in which order.

Example: Box number 1 must be completed before box number 2 and so on, until you reach the end.

A checkbox has been placed at the end of each box. This is for your convenience in the event you would like to check-mark after each leg is completed.

If you have any question(s) regarding this tour, do not hesitate to contact jay_marin@deltava.org (this tour organizer) or the Events Department at events@deltava.org.

AIRPORTS TO BE VISITED DURING THIS TOUR

Each box indicates a flight segment. The flights are in the order to be flown from top to bottom.

The following information is included for each leg:

First line: Departure ICAO / Arrival ICAO / Flight number / Leg Number / Departure Local Time / Arrival Local Time.

IMPORTANT: (Flight number and Leg number must be correct in order to receive tour credit.)

Second and Third lines are self explanatory. To the right you can see an empty box for you to use once a segment is completed.

Note: Remember to complete each segment in the order is provided. Complete segment #1 before #2 and so on until you reach the last segment.

PILOT RESOURCES

Airport Charts

If searching for an airport in the USA, you can use the .charts feature in the ACARS program to load the charts for that specific airport. Example, you can type .charts KATL or .charts ATL and a new window will open with all the available procedures for that airport.

FINAL WORDS

Delta Virtual Airlines hopes that you will enjoy this tour. You may fly this tour solo at your own leisure (during the tour time frame) or with other pilots as well. The water cooler would be a good place for you to invite other pilots to fly together, or at least include when you are planning on flying a specific leg in the event some other pilots are planning flying the same leg of the tour.

If you have any questions before, during or after the tour, you can always contact this tour coordinator at jay_marin@deltava.org, or the Delta Virtual Airlines Events Department at events@deltava.org.

Have fun!
